

# 7<sup>TH</sup> EUROPEAN FORUM GAS 2009

## in Madrid

18<sup>th</sup> and 19<sup>th</sup> June 2009

**Marcogaz** and **Sedigas** have the pleasure to invite you to the well established **European Forum Gas – EFG 2009** – to be held in **Madrid, in the North Convention Center of IFEMA, on the 18th and 19th June 2009.**

Also in this edition, **Marcogaz** will offer **high level presentations** from the Industry and University experts which will highlight the most actual and interesting issues especially related to technical competences for installers-technicians, materials, distribution systems, energy efficiency, life cycle assessment and carbon capture&storage.

EFG 2009 will be held in parallel with the Spanish National Gas Congress.

### Take advantage of the offered Programme!
